7. *Type of x-ray or photoprocessing waste disposed of:*
8. **List the dates and quantity of waste silver-rich photochemical solutions disposed of from your facility during the reporting period stated above in item #4 or attach copy of logs or manifests:**

CERTIFICATION:

I certify under penalty of law that _____ has not discharged waste silver-rich photochemical solutions resulting from x-ray or photoprocessing to the Colorado Springs Utilities Wastewater Collection System. I understand that discharging these wastes without an Authorization to Discharge is prohibited. Additionally, I also understand that Colorado Springs Utilities must be notified in writing at least fourteen (14) days prior to any changes in process operations which would result in a discharge of waste silver-rich photochemical solutions. Based on my inquiry of the person or persons who manage this facility or who are responsible for gathering the information regarding the disposal of x-ray or photoprocessing solutions at this facility, the information is true, accurate, and complete to the best of my knowledge and belief. I am aware that there are serious penalties for submitting false information including the possibility of fine and imprisonment for knowing violations.
