

PROGRAM RULES AND QUALIFICATIONS

General Requirements

- Qualifying equipment must be WaterSense approved showerheads of equal or less than 1.5gpm and/or ShowerStart TSV; shower pre-heat auto shutoff valve.
- Products that are used, rebuilt, rented, leased, exchanged, won as a prize, get one free offer, or purchased at auction or online auction are **not** eligible.
- Qualifying equipment must be purchased & installed between January 1st – December 31st of current calendar year.
- Rebate application must be **postmarked no later than January 31st** of the following year to qualify for a rebate.
- Old showerheads cannot be reused or retained. Participants agree to **recycle/destroy/disable** their old showerheads.
- This rebate is for retrofit and new construction.
- This program is for bulk unit purchases of ten (10) units or greater.
- Rebate cannot be used in conjunction with the current retail markdown program.
- Installation address must have Springs Utilities commercial gas or water service and account must be in applicant's name.
- For all rebates, the purchase cost of a product is the only cost that is eligible for a rebate. Some of the costs that are not rebated include, but are not limited to, installation/labor and delivery.
- Rebates are issued as a **credit** applied to the Customers service account and take up to eight (8) weeks to process.
- Landlords who participate in the rebate program for their rental property (ies) and who do not have an active account with Springs Utilities must complete and submit an [IRS form W-9](#) along with all other required documentation.
- Rebate application(s) must be complete and include the equipment worksheet and a **copy of the purchase receipt(s)**. Incomplete applications, worksheets and/or those lacking a copy of the purchase receipt(s) will be denied.
- Purchase invoices/receipts must clearly identify the approved equipment make, model and flow rate, included on the equipment worksheet and include date of purchase, purchase price, and quantity purchased.
- Qualifying purchases do not guarantee approval of a rebate. Rebates are offered on a first come, first served basis and subject to availability of funds.
- This rebate is not retroactive.
- Springs Utilities reserves the right to verify compliance with these terms, including but not limited to a physical site review. If review deems qualifying equipment was not installed, Springs Utilities reserves the right to remove the non-complying participant from the program and the amount rebated will be charged back to the utility account.
- Limit five hundred (500) total rebate units per master gas meter account per year.
- Springs Utilities is not responsible for lost, late, damaged, illegible, misdirected or postage-due applications.
- All requirements of the program are subject to change at any time.
