

BUSINESS RATE SHEET

Dependable service, fair prices, and more choices--it all adds up to better value for our customers. The following are the current prices for the most common schedules available to business customers. Detailed terms and conditions for all prices and schedules are provided in our tariffs. To view our tariffs and rules and regulations, visit us at www.csu.org or call us at (719) 448-4800.

You may qualify for more than one schedule. Rate option selection is your responsibility. Upon request, we will evaluate your utilities use to determine your qualifications, including which schedule would be most beneficial to you. A requested change to another applicable schedule will be applied only to services used after your request goes into effect.

Time-of-Day Option, On-Peak and Off-Peak Period Definitions

On-Peak Periods: 5 p.m. to 9 p.m., Monday through Friday

Off-Peak Saver Periods: 9 a.m. to 1 p.m., Sunday through Saturday including holidays

Off-Peak Periods: All other hours plus legally observed holidays

Critical Peak Events: Applicable to Customers receiving service under an Energy Wise Plus Time-of-Day Option, Critical Peak events may be called by Utilities during On-Peak hours. Critical Peak events may range from one to four hours and are limited to 15 events per year. Utilities will generally announce events 24 hours in advance; however, in the event of system emergencies announcements may occur the same day as the event. Customers will be charged for all energy used during Critical Peak events including the Access and Facilities On-Peak, per kWh, the Critical Peak Period, per kWh, the ECA On-Peak, per kWh, and the ECC, per kWh charges.
