

## Shared Facilities

---

In accordance with its Standards of Conduct Compliance Plan, Colorado Springs Utilities provides the following disclosure regarding employee-staffed facilities.

***Facilities:***

Transmission Function Employees and Marketing Function Employees are located in the same 3-story building. The Transmission Operations Control Center is located on a separate floor from the Marketing Function Employees workspace and is access controlled via access cards. The building is one of Colorado Springs Utilities' facilities located in the City of Colorado Springs. The full address is not provided due to security concerns.
