

AUTHORIZATION TO RELEASE WHOLE BUILDING AGGREGATED DATA (PROPERTY OWNER / LANDLORD)

I , as an authorized representative of:

(Name of Customer / Landlord as it appears on utility bill)

hereby authorize Colorado Springs Utilities to include utility consumption and/or cost data associated with the property below in a whole building aggregated format only and to provide such aggregated data to my authorized agent(s) or designated third parties associated with programs requiring building-level data for multitenant properties.

I understand that:

- Individual account-level data will not be disclosed and will only be included as part of a combined, non-identifiable dataset
- Aggregated data will only be provided if minimum account thresholds are met; otherwise, additional authorization may be required
- A complete and accurate list of all service addresses associated with the property must be provided to identify accounts for aggregation.
- Incomplete or inaccurate service address information may result in delays or inability to process this request.
